

Prescription Drug Take Back Event

Dispose of your unused prescription medications responsibly!

Did you know that the majority of misused prescription drugs are obtained from family and friends - often right from the home medicine cabinet? Save lives and protect the environment by disposing them at our secure drop off box.

Prescription and over-the-counter pills, capsules, caplets, gel caps and medical patches, inhalers, vitamins, pet medications and liquid medicine in original bottle. Please black out any personal information on labels.

Needles & syringes, EpiPens and other injectables, chemotherapy medications or illegal drugs
